Daniels Electronics is inviting you and your colleagues to a ½ day business and technology seminar on Land Mobile Radio systems. The seminar will cover the latest developments in Land Mobile Radio technology including:

- An updated **overview of the P25 standard** adopted by the Association of Public Safety Communication Officials (APCO)
  - P25 Updates on FSI, ISSI, Phase 2, Trunking and Compliance Testing as well as other hot topics
- Recent developments in frequency bands with a particular focus on the 700 & 800 MHz bands
- Transportable radio solutions

**Monday, April 7<sup>th</sup> – Chicago**  
**8:30 AM – 1:00 PM (lunch included)**

**Doubletree Hotel Chicago – Arlington Heights**  
**75 W. Algonquin Rd. Arlington Heights, IL**  
**(847) 364-7600**
